Stylist to the Stars joins Stobo Castle

Celebrity hair stylist Duncan Mackay has recently joined the team at Stobo Castle to run our luxurious in-house salon.

The crimper to the stars has worked his magic on supermodels including Kate Moss, Naomi Campbell and Elle MacPherson, plus teased the tresses of A-list celebrities such as Kylie, Audrey Tatou and Diane Kruger.

Duncan has also styled models for fashion shoots in magazines such as Italian and Paris Vogue, Harpers Bazaar, V Magazine and Tatler.

The appointment book is now open for anyone who wants to experience Duncan's skills. He trained with top London stylists Vidal Sasson and worked at their exclusive Sloane Street salon before progressing to magazine photo shoots and has worked at major fashion shows in London, New York, Milan and Paris for designers including Prada,

Vivienne Westwood and Matthew Williamson.

Stephen Winyard, owner of Stobo Castle, said: "Duncan brings a wealth of

experience working with supermodels and celebrities which is fantastic for our customers who make use of our top of the range salon facilities. A stylist of his calibre is the perfect choice for Stobo's customers who expect a quality experience and we are delighted to welcome him to our team."

The salon at Stobo Castle is open to all. To celebrate Duncan's appointment, we have reduced our hairdressing rates. Prices now range from £19.50 for a wash & blow dry to highlights from £50.00.

To book an appointment with Duncan at Stobo Castle, please call 01721 760344 or email spa@stobocastle.co.uk.
